<p>Agenda List of items you want to discuss at meeting.</p>	<p>Online presence & thank you!</p> <p>Feedback from Environmental Review assembly & plastic bottles</p> <p>Meat Free Mondays</p> <p>Discuss ideas for our Action Plan for our three Eco-Schools topics Waste Transport Energy</p>	
<p>Action points</p>	<p>Plastic bottles and crisp recycling</p>	<p>-There are still plastic bottles being used for on-site activities such as rehearsals for director shorts and music rehearsals. I will send an email to all staff and Catering requesting that no plastic bottles are used for onsite activities.</p> <p>-Packed tea and packed snack water plastic bags are given. I will also ask Catering if the plastic bags can be removed.</p> <p>-The DECOs questioned whether the plastic cups in the Farr Centre could be replaced by biodegradable cups. I will contact Catering about this.</p> <p>-The crisp packet recycling scheme has gone very well, and all boarding houses have participated. The DECOs have asked for a recycling box to be put into the Murray Centre and tuck shop</p>
	<p>Meat Free Mondays</p>	<p>-After a vote in the committee, the DECOs don't want to formally announce Meat Free Mondays until the second or third week into term. The DECOs can do this at an assembly. The DECOs may then send out a survey...did you know that you were eating meat free? And include the reasons why meat free meals are beneficial for health and the environment.</p>
	<p>Additional discussion:</p>	<p>The DECOs broke into groups and discussed ideas for our Action Plan for our three Eco-Schools topics of Waste, Transport and Energy</p>
