More than one class has been

5 All classes have been

Are single-use plastics such as straws, coffee cups, plastic bags or plastic bottles used in your school?

Yes

The school avoids using single-use plastics whenever possible

5 Single-use plastics are banned

Do you learn about marine conservation in your school?

No

Some classes are educated about marine conservation

5 All students are educated on marine conservation

Does your school use environmentally-friendly cleaning products?

No

3 Yes, whenever possible

5 Yes, all other cleaning products are banned

Has your school ever taken part in a beach, river or canal clean?

No

3 Once

5 Regularly

Comments:

On school trips we get a bottle of water each, the bottles are made out of plastic - single-used plastic.

I was shock when i found out all our detergent are eco-friendly & all the fishes are sustainably caught.

Litter

Which of these photos best represents how much litter is present in your school grounds?

0 1 3 5

Which photo best represents how much litter is present in areas surrounding your schools ground?

0 1 3 5

What percentage of pupils have participated in a litter pick this term (inside or outside school grounds)?

None 0-20% 20-40% 40-60% 60-80% 80-100%

How many of these activities has your school done to reduce litter?

- Litter picks
- Installing new bins
- Great British School Clean
- Increased number of times bins are emptied
- Anti-litter posters
- Pupil-led campaign to reduce litter
- Educating about litter through assemblies
- Letters to parents about littering
- Other

Tick the box below with the total number of items above.

No One Two Three+

What percentage of bins are full or overflowing in your school?

- 0 80-100% 1 60-80% 2 40-60% 3 20-40% 4 0-20% 5 None

Does your school have a clear anti-litter policy?

- 0 No 1 We have one, but it is not well-known 2 We have one and it is well known

Comments:

The school could improve by organising litter picks and volunteering for cleaning up both inside and outside school. We should also have specific bins like; plastic bins, paper bins and waste bins. There don't need to be a lot around, just in the main parts of school. We should also organize litter picks around the school woods to make sure it is litter-free.

Score

Waste

Does your school carefully control the use of resources such as pens, pencils, glue sticks and plastic wallets?

No control

3 Some control

5 Strict control

Does your school encourage the use of reusable items like water bottles, lunch boxes and lunch plates (and discourage the use of disposable items)?

No

3 Some encouragement
